

Cir. 1994)). To obtain a preliminary injunction, the movant must establish 1) that he is likely to succeed on the merits; 2) that he is likely to suffer irreparable harm in the absence of relief; 3) that the balance of equities tips in his favor; and 4) that an injunction is in the public interest. Di Biase v. SPX Corp., 872 F.3d 224, 230 (4th Cir. 2017).

This is a 28 U.S.C. § 2254 proceeding and this matter is presently stayed pending the exhaustion of the Petitioner's state court remedies. [Doc. 6]. He seeks an injunction against non-parties to address conduct that is distinct and unrelated to the issues in this habeas proceeding. The Petitioner does not establish any entitlement to injunctive relief. The Petitioner's complaints regarding the handling of his property should be addressed through the prison grievance system, not in this § 2254 proceeding.

IT IS, THEREFORE, ORDERED that the Motion for Injunctive Relief [Doc. 32] is **DENIED**.

IT IS SO ORDERED.

Signed: May 18, 2022

Martin Reidinger
Chief United States District Judge
